

INVITATION TO JOIN

Partnering to shape the future of legaltech

Join the Swiss LegalTech Association (SLTA)

The SLTA is a dynamic, non-profit organization dedicated to building a thriving community around legal technology in Switzerland.

By becoming a member you'll connect with diverse legal professionals, entrepreneurs, and technology experts shaping the industry's future. **Corporate members** gain industry visibility and strategic partnerships, while **individual members** enjoy professional development and networking—all accessing exclusive events, resources, and an innovative community.

SLTA Outreach

- Zurich
- Ticino
- Bern
- Basel
- Fribourg
- Geneva

What We Do

At SLTA, we actively promote the integration of technology in the legal industry by organizing:

↗
Events and conferences to showcase innovation and foster collaboration

↗
Workshops and trainings to equip professionals with cutting-edge skills

↗
Forums and networking to connect industry leaders, start-ups, and innovators

↗
Advocacy for policy and regulatory change to shape the future of LegalTech

Our Key Initiatives

LegalInnovation

Our flagship event driving conversations and showcasing breakthroughs in LegalTech

Breakfast Talks

A monthly gatherings for sharing expertise, staying informed, and building connections

By joining us as a corporate member, your company can actively contribute to these initiatives while gaining visibility, influence, and access to a vibrant community of LegalTech pioneers.

A Growing Community

The SLTA is experiencing remarkable growth as more professionals and organizations join our thriving network.

Established in 2016, we've built a dynamic community of over 400 members from diverse sectors, including legal professionals, tech innovators, and entrepreneurs.

Why Become an SLTA Member?

Networking opportunities

Connect with top industry experts, potential clients, and partners through exclusive events, conferences, and forums.

Professional development

Participate in workshops, webinars, and training sessions designed to keep you at the forefront of legaltech advancements.

Industry insights

Stay informed with the latest trends, research, and best practices through our comprehensive resources.

Advocacy

Join a collective voice influencing legaltech policy, particularly in AI and ML.

Established in 2016, we've built a dynamic community of over 400 members from diverse sectors, including legal professionals, tech innovators, and entrepreneurs.

Let's shape the future of LegalTech, Together
